

for a week, for I was really upset
over Dwight.

Since you get the Carbondale News
you know that Oswald Evans passed
away last week too. Poor Mrs Evans
has had it rough too, because he did
not know her at all toward the last.

John and Dorothy, Gwen and Andy
came down for Dwight's funeral,
but they went home Tues. night.

Eliza, Mild's wife, was in yesterday.
Her Nancy had a birthday on Monday
and Beth has one tomorrow - a year
apart. Both my babies, and now Beth
has little Timothy.

I'd better stop my ranting or the
postman will be here, and I'll
miss him.

Do hope Honey got her job.

Love to both

Edith.
